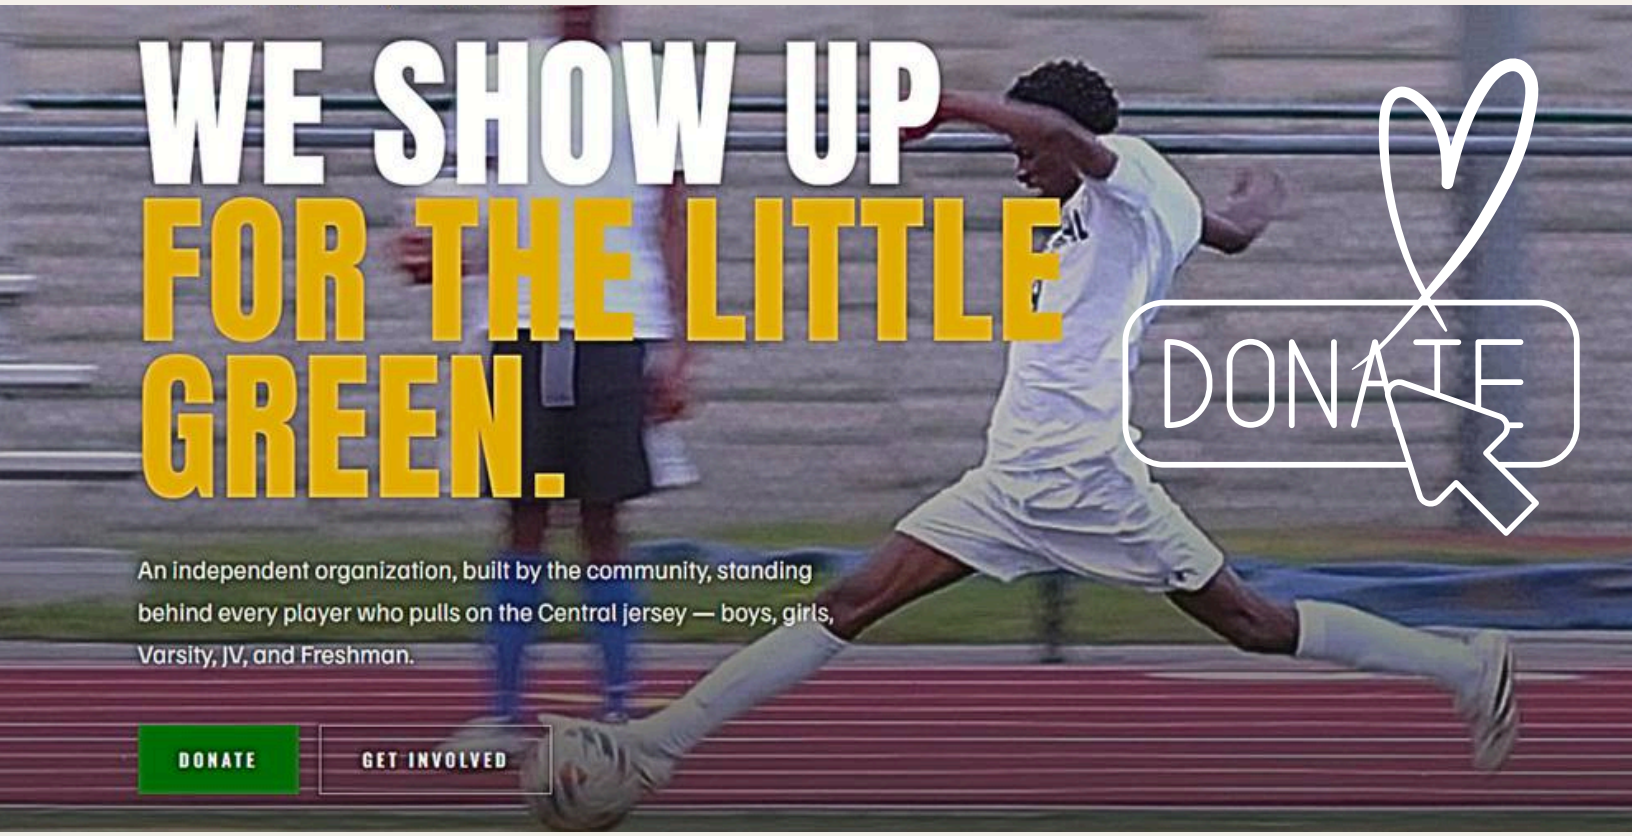
FRIENDS OF

CENTRAL SOCCER

MANCHESTER · NH · EST 2026



Friends of Central Soccer is an independent New Hampshire non-profit supporting the boys' and girls' soccer programs at Central High School in Manchester.

The goal is simple: fill the gaps that school district budgets can't cover, amplify the visibility of Central soccer, and give student-athletes the resources and experiences they deserve.

$25

Put your family's name in the team program alongside your player. A simple way to show you're behind them, and behind the program.

Snack Fund Supporter

$50

Central plays 16 away games a season. Your gift helps keep the teams fed on the road so players get off the bus ready to compete. Add as many as you'd like.

Program Advertisement

$100

Your business in the team program, in front of players, families, and everyone following Central soccer all season. Send your own artwork or just your logo and we'll set it for you. The program is digital, so your listing links straight to your website.

BACK THE LITTLE GREEN
